

The Radio Control Club of Detroit

Presents:

The 2008 Mall Show!

**Saturday & Sunday, March 15th & 16th at the Macomb Mall in
Roseville**

The Radio Control Club of Detroit is a non-profit Academy of Model

Aeronautics, dedicated to the advancement of model aviation in both youth and adults. Members of the club will have many of their highly crafted and realistic models on display at Roseville's Macomb Mall on March 15th & 16th in the Kohl's Court.

The display will include Scale models of vintage aircraft, World War II and modern era fighters, helicopters and examples of typical R.C. planes. Many club members will be present to explain how the models are constructed and flown. They will also be on hand to answer any questions you may have about the hobby. There will also be a R.C. flight simulator and a building demonstration at the show.

For additional information about the Radio Control Club of Detroit and their upcoming events, Visit their website: www.rccd.org or contact:
